St. Johns! Innovation and Excellence,  
Is our culture and tradition  
Second to none, we stride on with  
Confidence and Determination,  
Failure is not a mistake, the real mistake is  
To stop trying, never ever give up, God bless St John's!.

St. Johns! We are unmatched,  
The very, very best  
Preparing you for today and tomorrow,  
With love and care we build for the future,  
Believe and shine for you can,  
Success! The only option!  
And may God bless St. Johns!

St. Johns! Giving hope to mankind  
It's a life long journey,  
To be creative and to be skillful  
Challenging you to succeed,  
And navigate the world
